### **Toward combined arms warfare: a survey of 20th century**

The concept of Combined Arms has existed for centuries, but the nature of the combination and the organizational level at which it occurred have varied greatly. Prior to the 17th century, for example, there was often no need to combine infantry, artillery, and cavalry at the small-unit level.

### **Toward Combined Arms Warfare: A Survey of 20th-Century**

War in the 21st century reverse international efforts to reduce poverty. The poorest countries and most vulnerable citizens will suffer the earliest and most damaging setbacks, even though they have contributed least to the problem<sup>TM</sup>.<sup>18</sup> The second, related, security threat is increasing competition over resources.
