

accounting for governmental and pdf

Various governmental accounting systems are used by various public sector entities. In the United States, for instance, there are two levels of government which follow different accounting standards set forth by independent, private sector boards. At the federal level, the Federal Accounting Standards Advisory Board (FASAB) sets forth the accounting standards to follow.

Governmental accounting - Wikipedia

The Governmental Accounting Standards Board (GASB) is the source of generally accepted accounting principles (GAAP) used by state and local governments in the United States. As with most of the entities involved in creating GAAP in the United States, it is a private, non-governmental organization. The GASB is subject to oversight by the Financial Accounting Foundation (FAF), which selects the ...
