Thousands of users are using our software to conquer their algebra homework. Here are some of their experiences: I am a mother of three, and I purchased the Algebrator software for my oldest son, to help him with his algebra homework, but my younger sons seen how easy it was to use, now they have a head start.

### **Advanced Algebra Worksheets - Solve Algebra problems with**

Aside from the operation symbols youalready know, algebra uses placeholders, usually letters, called variables. The letter x is used very often as a variable in algebra, but variables can be any letter. An expression such as a 2 110 is an algebraic expressionbecause it is a combination of variables, numbers, and at least one operation.
