Adopting Huber's (2012) argument that forensic accounting has become a profession, this paper examines whether the forensic accounting profession and the forensic accounting certification industry should be regulated. Several recent studies have uncovered significant problems within the forensic accounting profession and the forensic accounting certification industry.

Should the forensic accounting profession be regulated

Enron Corporation was an American energy, commodities, and services company based in Houston, Texas. It was founded in 1985 as a merger between Houston Natural Gas and InterNorth, both relatively small regional companies. Before its bankruptcy on December 3, 2001, Enron employed approximately 29,000 staff and was a major electricity, natural gas, communications and pulp and paper company, with ...
