

american film a history pdf

The cinema of the United States, often metonymously referred to as Hollywood, has had a profound effect on the film industry in general since the early 20th century. The dominant style of American cinema is classical Hollywood cinema, which developed from 1917 to 1960 and characterizes most films made there to this day.

Cinema of the United States - Wikipedia

The history of American football can be traced to early versions of rugby football and association football. Both games have their origin in varieties of football played in Britain in the mid-19th century, in which a football is kicked at a goal or kicked over a line, which in turn were based on the varieties of English public school football games.

History of American football - Wikipedia

The special is the fourth installment of AFI's centennial celebration of American film, following the three critically acclaimed Network specials AFI's 100 Years...100 Movies, AFI's 100 Years...100 Stars and AFI's 100 Years...100 Laughs, which sparked discussions of America's film history among millions across the nation.
