

The Vietnam War - Peace History

The civil rights movement (also known as the African-American civil rights movement, American civil rights movement and other terms) was a decades-long movement with the goal of securing legal rights for African Americans that other Americans already held. With roots starting in the Reconstruction era during the late 19th century, the movement resulted in the largest legislative impacts after ...

Civil rights movement - Wikipedia

Active learning is a form of learning in which teaching strives to involve students in the learning process more directly than in other methods.. The term active learning "was introduced by the English scholar R W Revans (1907â€“2003)." Bonwell (1991) "states that in active learning, students participate in the process and students participate when they are doing s
