Paper marbling is a method of aqueous surface design, which can produce patterns similar to smooth marble or other kinds of stone. The patterns are the result of color floated on either plain water or a viscous solution known as size, and then carefully transferred to an absorbent surface, such as paper or fabric. Through several centuries, people have applied marbled materials to a variety of ...

Arts and crafts describes a wide variety of activities involving making things with one's own hands. Arts and crafts is usually a hobby. Some crafts (art skills) have been practised for centuries, others are more recent inventions. William Morris, John Ruskin and others promoted an "arts and crafts" movement in the late 19th century, which popularized the phrase.
