Case citation is a system used by legal professionals to identify past court case decisions, either in series of books called reporters or law reports, or in a neutral style that identifies a decision regardless of where it is reported. Case citations are formatted differently in different jurisdictions, but generally contain the same key information.. A legal citation is a "reference to a ...

Space The Far Lands DESCRIPTION: Space is the final frontier, not because its exploration is the pinnacle of human endeavour -- it isn't -- but because it is vast. The third of three pages on Space (one of the Field Nodes comprising the subject tree of The Telson Spur), this page is a list of links to on-line resources on the future of space exploration (including space development, space ...

The Telson Spur: Field Nodes -- Space (3): The Frontier

The book titled was written in Greek, presumably as it was aimed at non-Jews, and Greek was the leading written language in Europe at that time. Exodus is the Latinised form of the title; and the Latin text has been translated many times into more-or-less modern English, but the title 'Exodus' was retained. The word is composite, meaning something like 'way out' in a neutral sense.
