Public Choice (2013) 155:273â€“292 275 My analysis is also closely connected to the literature that examines the economics of private legal institutions.

Gypsy law - Peter Leeson

Belief is the state of mind in which a person thinks something to be the case with or without there being empirical evidence to prove that something is the case with factual certainty. Another way of defining belief sees it as a mental representation of an attitude positively oriented towards the likelihood of something being true. In the context of Ancient Greek thought, two related concepts ...

Belief - Wikipedia

United Kingdom employment equality law is a body of law which legislates against prejudice-based actions in the workplace. As an integral part of UK labour law it is unlawful to discriminate against a person because they have one of the "protected characteristics", which are, age, disability, gender reassignment, marriage and civil partnership, race, religion or belief, sex, and sexual ...
