Design is the creation of a plan or convention for the construction of an object, system or measurable human interaction (as in architectural blueprints, engineering drawings, business processes, circuit diagrams, and sewing patterns). Design has different connotations in different fields (see design disciplines below). In some cases, the direct construction of an object (as in pottery ...

Destiny is an online-only multiplayer first-person shooter video game developed by Bungie and published by Activision. It was released worldwide on September 9, 2014, for the PlayStation 3, PlayStation 4, Xbox 360, and Xbox One consoles. Destiny marked Bungie's first new console franchise since the Halo series, and it was the first game in a ten-year agreement between Bungie and Activision.
