

changing landscape of milton pdf

A landscape is the visible features of an area of land, its landforms and how they integrate with natural or man-made features.

Landscape - Wikipedia

This history of Milton Keynes details its development from the earliest human settlements, through the plans for a 'new city' for 250,000 people in south central England, its subsequent urban design and development, to the present day. (Milton Keynes is a large town in South East England, founded in 1967).
