The Mortal Instruments is a series of six young adult fantasy novels written by Cassandra Clare, the last of which was published on May 27, 2014. The Mortal Instruments is chronologically the third series of a proposed five in The Shadowhunter Chronicles but it was the first one published. It follows Clary Fray (who interacts with a group of nephilim known as Shadowhunters) while also ...

The Mortal Instruments - Wikipedia

Steampunk is a subgenre of fantasy and speculative fiction that came into prominence in the 1980s and early 1990s. The term denotes works set in an era or world wherein steam power is still widely used—usually the 19th century, and often set in Victorian era England—but with prominent elements of either science fiction or fantasy, such as fictional technological inventions like those found ...
