Library Research Service School Libraries & Student Achievement (2013) This 1-page infographic presents highlights from all of LRS's school library impact studies.

School Libraries Impact Studies – Library Research Service

A private library is a library under the care of private ownership, as compared to that of a public institution, and is usually only established for the use of a small number of people, or even a single person. As with public libraries, some people use bookplates – stamps, stickers or embossing – to show ownership of the items. Some people sell their private libraries to established ...
