Content standards were designed to encourage the highest achievement of every student, by defining the knowledge, concepts, and skills that students should acquire at each grade level.

Content Standards - Standards & Frameworks (CA Dept of

The word "curriculum" began as a Latin word which means "a race" or "the course of a race" (which in turn derives from the verb currere meaning "to run/to proceed"). The first known use in an educational context is in the Professio Regia, a work by University of Paris professor Petrus Ramus published posthumously in 1576. The term subsequently appears in University of Leiden records in 1582.
