Cultural Diversity Resources - United States Conference of

Economic, social and cultural rights are socio-economic human rights, such as the right to education, right to housing, right to adequate standard of living, right to health and the right to science and culture. Economic, social and cultural rights are recognised and protected in international and regional human rights instruments.

included sexual orientation. States parties should ensure that a person's sexual orientation is not a

General Assembly - ohchr.org

The majority of the artefacts in the thirty-four national museums have been transferred to secure warehouses. Most of the damage to museums in Syria has occurred in the north-western region of the country, where there have been incidents of looting of valuable cultural property, and many works of art are currently unaccounted for.
