Dark matter is a hypothetical form of matter that is thought to account for approximately 85% of the matter in the universe, and about a quarter of its total energy density. The majority of dark matter is thought to be non-baryonic in nature, possibly being composed of some as-yet undiscovered subatomic particles. Its presence is implied in a variety of astrophysical observations, including ...

Candy apple red (occasionally known as apple-candy red) is the name code used by manufacturing companies to define a shade of red similar to the red sugar coating on candied apples. The typical method for producing a candy apple finish is to apply a metallic base-coat, followed by a translucent color coat. A final clear coat adds additional gloss.
