This is a list of LGBT characters in modern written fiction. The historical concept and definition of sexual orientation varies and has changed greatly over time; for example the word "gay" wasn't used to describe sexual orientation until the mid 20th century. A number of different classification schemes have been used to describe sexual orientation since the mid-19th century, and scholars have ...

The law of chastity of The Church of Jesus Christ of Latter-day Saints (LDS Church) states that "sexual relations are proper only between a man and a woman who are legally and lawfully wedded as husband and wife." In principle, this commandment forbids all same-sex sexual behavior (whether intra-marriage or extramarital). Homosexuality-related violations of the law of chastity may result in ...
