SIXTY-SECOND WORLD HEALTH ASSEMBLY WHA62.12 Agenda item 12.4 22 May 2009 Primary health care, including health system strengthening The Sixty-second World Health Assembly,

### **Primary health care, including health system strengthening**

A health system, also sometimes referred to as health care system or as healthcare system, is the organization of people, institutions, and resources that deliver health care services to meet the health needs of target populations.. There is a wide variety of health systems around the world, with as many histories and organizational structures as there are nations.
