Teaching and Math Methodology: Instruction . Introduction to Teaching Challenges "A student is not a container you have to fill, but a torch you have to light up."

Math Methodology: Instruction Essay: Introduction to

The High School for Math, Science and Engineering at City College (often abbreviated to High School for Math, Science and Engineering, HSMSE, or HSMSE @ CCNY) is one of the nine specialized high schools in New York City, United States. It caters to highly gifted students from across the city. It is located within the campus of the City College of New York (CCNY).

High School for Math, Science and Engineering at City

Intellectual giftedness is an intellectual ability significantly higher than average. It is a characteristic of children, variously defined, that motivates differences in school programming. It is thought to persist as a trait into adult life, with various consequences studied in longitudinal studies of giftedness over the last century.

Intellectual giftedness - Wikipedia

The page you are trying to access has moved. The Connecticut State Department of Education has a new website. If you have existing bookmarks you will need to navigate to them and re-bookmark those pages.
