This is a list of notable web television series, or web series, organized alphabetically by name.

List of web television series - Wikipedia

Early life. Dawson was born in New York City. Her mother, Isabel Celeste, is a writer and singer of Puerto Rican and Cuban ancestry. Isabel was 16 years old when Rosario was born; she never married Rosario's biological father, Patrick C. Harris.

Rosario Dawson - Wikipedia

So here's the deal. The six dice you've got now? Those are the planets visible in the sky of your campaign world (or alternatively, the moons that orbit the gas giant your campaign world also circles).
