

differences between british english pdf

Many of the differences between American and British English date back to a time when spelling standards had not yet developed. For instance, some spellings seen as "American" today were once commonly used in Britain and some spellings seen as "British" were once commonly used in the United States.

American and British English spelling differences - Wikipedia

The English language was first introduced to the Americas by British colonization, beginning in the late 16th and early 17th centuries. Similarly, the language spread to numerous other parts of the world as a result of British trade and colonisation elsewhere and the spread of the former British Empire, which, by 1921, held sway over a population of 470–570 million people, approximately a ...
