early virginia marriage records | Download eBook pdf, epub

The extent of early marriage varies between countries and regions: the highest rates are found in West Africa, followed by southern Asia, northern Africa/the Middle East and Latin America. However, given southern Asia's population size and rates of early marriage, about half the girls in early marriage live there.

Early marriages, adolescent and young pregnancies - WHO

Marriage Records in Ohio Marriage records (also called certificates or licenses) are created and maintained by county probate courts. They were recorded from the date of the county's creation and typically provide the names of the bride and groom, the date and place of the marriage and the name of the officiating authority.
