The General Certificate of Secondary Education (GCSE) is an academic qualification, generally taken in a number of subjects by pupils in secondary education in England, Wales and Northern Ireland. Each GCSE qualification is in a particular subject, and stands alone, but a suite of such qualifications (or their equivalents) are generally accepted as the record of achievement at the age of 16 ...

The General Certificate of Education (GCE) Advanced Level, or A Level, is a main school leaving qualification in England, Wales, Northern Ireland, the Channel Islands and the Isle of Man. It is available as an alternative qualification in other countries. It used to be the case that students would study over a two-year period, and that they would sit examinations at the end of each year (AS and ...
