Payment methods | Definitions. Workers' compensation benefits. There are four types of workers' compensation benefits: Income benefits replace some of the money you lost because of your work-related injury or illness.(except for impairment income benefits).

**Workers' Compensation Income and Medical Benefits**

Workers' compensation is a form of insurance providing wage replacement and medical benefits to employees injured in the course of employment in exchange for mandatory relinquishment of the employee's right to sue their employer for the tort of negligence. The trade-off between assured, limited coverage and lack of recourse outside the worker compensation system is known as "the compensation ...
