english with an accent pdf

Spoken English shows great variation across regions where it is the predominant language. This article provides an overview of the numerous identifiable variations in pronunciation; such distinctions usually derive from the phonetic inventory of local dialects, as well as from broader differences in the Standard English of different primary-speaking populations.

Regional accents of English - Wikipedia

Indian English refers to dialects of the English language characteristic of the Republic of India. The Constitution of India designates the co-official language of the Government of India as English, along with Hindi. Today many regional varieties of English, or Englishes, exist around the globe and are slowly but steadily gaining recognition.
