

even in the odds pdf

Even Odds Pizza is now open in Grafton, WI, bringing a fresh take to pizza.

Even Odds Pizza

Even money is a wagering proposition with even odds - the bettor stands to lose or win the same amount of money. Beyond gambling, even money can mean an event whose occurrence is about as likely to occur as not. Even money is also known as 50-50. In professional gambling, even money bets typically do not have odds that are indeed 50-50.

Even money - Wikipedia

"Even odds" occur when the probability of an event happening is exactly the same as it not happening. In common parlance, this is a "50-50 chance".
