This is going to be a series of step-by-step explanation of physical design flow for the novice. I am going to list out the stages from Netlist-GDS in this session. Of course some say synthesis should also be part of physical design, but we will skip that for now. So, you have completed your RTL, [!]

Physical Design Flow I : NetlistIn & Floorplanning " VLSI Pro

The website then presents an array of informational webpages and constantly updated reference links concerning gender identity and gender transition, in an effort to help others who may undergo such transitions.
