If you are reading this, you know the world didn't end in 2012. But the world of American education may end in 2014, when the Common Core is scheduled to march into thousands of schools in the United States and end a chaotic, fragmented, unequal, obsolete, and failing system that has accompanied the rise of a nation with the largest economy, most scientific discoveries and ...

Five Questions to Ask about the Common Core*

The page you are trying to access has moved. The Connecticut State Department of Education has a new website. If you have existing bookmarks you will need to navigate to them and re-bookmark those pages.
