Family Constellations A Practical Guide To Uncovering The

Mapping out a "family constellation," explains Dr. Joy Mann, encompasses exploring previous powerful life events from accidents to adoptions and accessing the deepest dynamics in that family system. This process helps us recognize and then resolve deeply seated family patterns. For example, in order to understand a person's inability to trust, the family history of betrayal must be ...

Family Constellations: A Practical Guide to Uncovering the

Family Constellation is an effective short term therapy that has the potential to arrive at the roots of problems in a short time. The inter-action between representatives placed in a constellation can quickly reveal underlying conflicts within a relationship system -- for example within the family of a client.
