

far country battletech pdf

Far Country, the only BattleTech book written by Peter Rice, is notable for its unorthodox storyline which has only tenuous connections with the established universe. It is the only canonical source where sentient aliens play a significant role, something many fans feel should have no place in the fictional BattleTech universe.

Far Country (BattleTech, book 13) by Peter L Rice

Intrigued about the Inner Sphere and the Clans, I bought many more Battletech books. Years later I have piles of uninspired stories like Far Country. Like Dragonlance and Star Wars, the Battletech name appeared on good books and then was handed out to unqualified authors. Loyal fans are drawn to any reference to Kerensky, Davion, or Clan Jade Falcon.
