Online CPR/First Aid Courses - Certification

A first aid kit is a collection of supplies and equipment that is used to give medical treatment. There is a wide variation in the contents of first aid kits based on the knowledge and experience of those putting it together, the differing first aid requirements of the area where it may be used and variations in legislation or regulation in a given area.

First aid kit - Wikipedia

1 International Federation of Red Cross and Red Crescent Societies Law and first aid Promoting and protecting life-saving action First aid is a proven, cost-effective measure to save lives.
