The First-Year Player Draft, also known as the Rule 4 Draft, is Major League Baseball's (MLB) primary mechanism for assigning amateur baseball players from high schools, colleges, and other amateur baseball clubs to its teams. Unlike most professional sports, MLB does not permit the trading of draft picks, so the draft order is solely determined by the previous season's standings; the team ...

The National Basketball Association's first overall pick is the player who is selected first among all eligible draftees by a team during the annual National Basketball Association (NBA) draft. The first pick is awarded to the team that wins the NBA draft lottery; in most cases, that team had a losing record in the previous season. The team with the first pick attracts significant media ...
