2018 FIA Formula One World Championship® Race Calendar

Formula 1 racing originated during the 1920-30s in Europe from other similar racing competitions. In 1946, the FIA standardized racing rules and this formed the basis of Formula One racing. The inaugural Formula One World Drivers'™ championship was then held in 1950, the first world championship series.

Formula 1 2018 Schedule - Tournament Brackets

A modern Formula One racecar is a conglomeration of precisely machined moving parts. Classical mechanics is a framework for unraveling the forces at work in a wide class of mechanical systems, and the design of a Formula One racecar is a microcosm for this interplay of forces and dynamics. The uniformity of these rules across systems and scales makes engineering new machines possible and ...
