Friday the 13th is considered an unlucky day in Western superstition. It occurs when the 13th day of the month in the Gregorian calendar falls on a Friday, which happens at least once every year but can occur up to three times in the same year. In 2017, it occurred twice, on January 13 and October 13. In 2018, it also occurred twice, on April 13 and July 13.

Friday the 13th is an American horror franchise that consists of twelve slasher films, a television show, novels, and comic books. The main villain in the series is Jason Voorhees, who drowned at Camp Crystal Lake as a boy due to the negligence of the teenage counselors. Decades later, the lake is rumored to be "cursed" and is the setting for a series of mass murders.
