

**garo dictionary pdf**

Garo, or AĀ-chik (the name in Garo), is a language spoken in India in the Garo Hills districts of Meghalaya, some parts of Assam, and in small pockets in Tripura. It is also spoken in certain areas of the neighbouring Bangladesh. According to the 2001 census, there are about 889,000 Garo speakers in India alone; another 130,000 are found in Bangladesh
