The fourth grade worksheets found here are meant to be used to supplement the work your child is already doing in school. Depending on your child's abilities, you may wish to review these third grade and fifth grade worksheets for additional practice materials.. You may print any of these fourth grade worksheets for your own personal, non-commercial use only.

**Print Free Fourth Grade Worksheets for Home or School**

Fine Motor Skills involve the use of precise and coordinated movements of the fingers to perform hand use tasks. Fine motor skills are necessary for completing daily tasks such as dressing (using buttons/zippers), feeding (using mealtime utensils), being a student (using a pencil, keyboard, or scissors), and leisure/play activities (drawing, playing many musical instruments).

The difficulty with fractions has to do with two major factors. (1) There are so many rules to learn that students get mixed up with them. (2) Fraction arithmetic needs to be taught using visual models so that students will get a firm grasp of the CONCEPTS before memorizing the various rules. Lastly you will find links to my free fraction videos and to self-teaching fraction books.
