In recent years, the Business History Conference has sprouted several interest groups that have coalesced around perceived needs. The first two, "Women in Business History" and "Business Historians at Business Schools," meet informally over lunch at the annual meeting to discuss issues in the profession and to network.

© OECD 2014 The rationale for fighting corruption The costs of corruption for economic, political and social development are becoming increasingly evident.

### **The rationale for fighting corruption - OECD.org**

Climate engineering/solar radiation management programs are obscuring skies all over the globe. Highly toxic heavy metals and chemicals from these illegal programs are supersaturating our breathable air column

and thus contaminating every breath we take.
