Scope. A dead animal may be flayed when preparing it to be used as human food, or for its hide or fur. This is more commonly called skinning. [citation needed] Flaying of humans is used as a method of torture or execution, depending on how much of the skin is removed. This is often referred to as "flaying alive".

The history of slavery spans many cultures, nationalities, and religions from ancient times to the present day. However the social, economic, and legal positions of slaves were vastly different in different systems of slavery in different times and places. Slavery appears in the Mesopotamian Code of Hammurabi (c. 1860 BC), which refers to it as an established institution.
