SANS OUCH! is the world's leading, free security awareness newsletter designed for everyone. Published every month in multiple languages, each edition is carefully researched and developed by the SANS Security Awareness team, instructors and community members.

OUCH! Newsletter | SANS Security Awareness

The following example describes the short sale of a security. To profit from a decrease in the price of a security, a short seller can borrow the security and sell it expecting that it will be cheaper to repurchase in the future. When the seller decides that the time is right (or when the lender recalls the securities), the seller buys equivalent securities and returns them to the lender.
