A football, soccer ball, or association football ball is the ball used in the sport of association football. The name of the ball varies according to whether the sport is called "football", "soccer", or "association football". The ball's spherical shape, as well as its size, weight, and material composition, are specified by Law 2 of the Laws of the Game maintained by the International Football ...

History. The concept of American football games being played on Thanksgiving Day dates back to 1876, shortly after the game had been invented, as it was a day that most people had off from work. In that year, the college football teams at Yale and Princeton began an annual tradition of playing each other on Thanksgiving Day. The University of Michigan also made it a tradition to play annual ...

Football is a word which could mean one of several sports. The best-known type of football is association football. This is called "soccer" in North America, South Africa, and Australia to avoid confusion with other types of football that are commonly played there. The name football comes from the two words 'foot' and 'ball'. It is named football because the players of the game walk and often run ...
