

### **ideals and ideologies communism pdf**

In political and social sciences, communism (from Latin communis, "common, universal") is the philosophical, social, political, and economic ideology and movement whose ultimate goal is the establishment of the communist society, which is a socioeconomic order structured upon the common ownership of the means of production and the absence of social classes, money and the state.

### **Communism - Wikipedia**

In social studies, a political ideology is a certain set of ethical ideals, principles, doctrines, myths or symbols of a social movement, institution, class or large group that explains how society should work and offers some political and cultural blueprint for a certain social order. A political ideology largely concerns itself with how to allocate power and to what ends it should be used.

### **List of political ideologies - Wikipedia**

Their disproportionate participation in communism, Marxism, and socialism. Marxism is an exemplar of a universalist ideology in which ethnic and nationalist barriers within the society and indeed between societies are eventually removed in the interests of social harmony and a sense of communal interest.
