

inside the inner city pdf

In the United Kingdom the term "inner city" has been used as a euphemism for lower-income residential districts in the city center and nearby areas. Sociologists sometimes turn this euphemism into a formal designation, applying the term "inner city" to such residential areas, rather than to geographically more central commercial districts. Some inner city areas of American cities have undergone ...

The geographic areas of Houston are generally classified as either being inside or outside Interstate 610, known as the "Loop." Inside the loop generally encompasses the Central business district and the "island cities" of West University Place (West U.), Southside Place and a portion of Bellaire.. ("Island cities" refers to the City of Houston's practice of annexing around the existing ...
