Communication is the art and process of creating and sharing ideas. Effective communication depends on the richness of those ideas. A University of Pittsburgh study found that the most important factor in selecting managers is communication skills. Download free ebooks at BookBooN.com

Effective Communication Skills - PROMENG

To an employer, good communication skills are essential. In fact, employers consistently rank good communication skills at the top of the list for potential employees. During an interview, for example, employers are impressed by a job candidate who answers questions

Communication

Communication is the process by which people exchange information or share ideas. There are three types of communication: speaking, listening and non-verbal communication. **NON-VERBAL COMMUNICATION:** Your actions speak louder than words. A University of Pennsylvania study reported that the majority of communication is transmitted non-verbally.
