

### **international business law a pdf**

International trade law includes the appropriate rules and customs for handling trade between countries. However, it is also used in legal writings as trade between private sectors, which is not right. This branch of law is now an independent field of study as most governments have become part of the world trade, as members of the World Trade Organization (WTO).

### **International trade law - Wikipedia**

International criminal law is a body of public international law designed to prohibit certain categories of conduct commonly viewed as serious atrocities and to make perpetrators of such conduct criminally accountable for their perpetration. The core crimes under international law are genocide, war crimes, crimes against humanity, and the crime of aggression.
