Chapter 1. An Introduction to Sociology – Introduction to

Sociology is the scientific study of society, patterns of social relationships, social interaction, and culture of everyday life. It is a social science that uses various methods of empirical investigation and critical analysis to develop a body of knowledge about social order, acceptance, and change or social evolution. Many sociologists aim to conduct research that may be applied directly to ...

Sociology as a scholarly discipline emerged primarily out of the Enlightenment thought, shortly after the French Revolution, as a positivist science of society. Its genesis owed to various key movements in the philosophy of science and the philosophy of knowledge. Social analysis in a broader sense, however, has origins in the common stock of philosophy and necessarily pre-dates the field.
