### **Journal of World-Systems Research**

torical research. As of now, by historical research we mean strictly research performed by historians, and talk about history as a research domain. Thus, we exclude other fields of the humanities in which historical research is also performed, such as art history or his-tory of literature. Hence, the intended audience of the paper is twofold.

### **Semantic Technologies for Historical Research: A Survey**

Enjoy this collection of previously published articles from Historical Research as well as IHR podcasts, all on the theme of correspondence. Covering a wide range of subjects, including witchcraft, adulterous love-affairs, prisoners of war and early modern letters between parents and children.
