This article consists almost entirely of a plot summary. It should be expanded to provide more balanced coverage that includes real-world context. Please edit the article to focus on discussing the work rather than merely reiterating the plot. (January 2018) (Learn how and when to remove this template message)

### **The Way We Weren't - Wikipedia**

Entertainment is a form of activity that holds the attention and interest of an audience, or gives pleasure and delight. It can be an idea or a task, but is more likely to be one of the activities or events that have developed over thousands of years specifically for the purpose of keeping an audience's attention. Although people's attention is held by different things, because individuals have ...
