Histoire de la cuisine française â€” Wikipédia

Medieval cuisine includes foods, eating habits, and cooking methods of various European cultures during the Middle Ages, which lasted from the fifth to the fifteenth century. During this period, diets and cooking changed less than they did in the early modern period that followed, when those changes helped lay the foundations for modern European cuisine.

Ancient Roman cuisine changed over the long duration of the ancient Roman civilization. Dietary habits were affected by the influence of Greek culture, the political changes from kingdom to republic to empire, and the empire's enormous expansion, which exposed Romans to many new provincial culinary habits and cooking methods.. In the beginning, dietary differences between Roman social classes ...
