Torrens title is a land registration and land transfer system, in which a state creates and maintains a register of land holdings, which serves as the conclusive evidence (termed "indefeasibility") of title of the person recorded on the register as the proprietor (owner), and of all other interests recorded on the register. The interests that are not guaranteed are called "paramount ...

The question of origins is plainly a matter of science history "not the domain of applied science. Contrary to the unilateral denials of many evolutionists, one's worldview does indeed play heavily on one's interpretation of scientific data, a phenomenon that is magnified in matters concerning origins, where neither repeatability, nor observation, nor measurement "the three immutable ...
