The Lost Cause of the Confederacy, or simply the Lost Cause, is an ideological movement that describes the Confederate cause as a heroic one against great odds despite its defeat. The ideology endorses the alleged virtues of the antebellum South, viewing the American Civil War as an honorable struggle for the Southern way of life while minimizing or denying the central role of slavery.

Habitat Animal Printouts. The Earth has many different environments, varying in temperature, moisture, light, and many other factors. Each of these habitats has distinct life forms living in it, forming complex communities of interdependent organisms. A complex community of plants and animals in a region and a climate is called a biome.
